¹ Group Photo #1

Just like last year, we are going to have two group photos, only this time we are separating them a bit so no one feels rushed. Since the first photo will coincide with the Sportbike Night, be sure to bring your helmet and jacket to this photo shoot. And we promise we are keeping it simple to eliminate the possibility of the dreaded bike drop.

² Yamaha presents Sportbike Night

With our bike night situated in a public location, we decided to embrace this factor and open the bike night to the public but still make it all about us gals. As stated above we'll start with Group Photo #1 followed by opportunities to meet and mingle with other riders, visit vendor row, chew some pizza, give-aways and of course the return of the Sportbike Challenge (with a few modifications.) Plus, for anyone who attended last year you saw just how many t-shirts we gave away and we plan to do it again. We also continue to encourage everyone to wear their unique and funny shirts all about being a girl (or guy) sportbike rider.

³ Group Photo #2

A group photo by the historic Deals Gap sign is becoming a tradition that we simply must continue. Saturday morning we will gather again at the Deals Gap MC Resort for a 9:30 a.m. photo. We want all women riders, registered or not, in this shot so make sure to set the alarm. And guys, we haven't forgotten about you, simply stand by for us to take the female photo then jump in with your gal for one huge group photo of all rally attendees.

⁴ Group Ride Departures (Optional, but please pre-register for this at registration/check-in!)

Riders interested in group rides should sign up during registration on Friday evening. Groups are small and limited so sign up early, we will have both female only and co-ed groups available. *NOTE: If you would like to drag some knee or travel at an "extra-legal pace", these organized rides may not be for you and a self-guided ride may suit you better.*

⁵ WSR III Banquet Dinner followed by the Sportbikegirl Luau After Party presented by NPR Ducati

With the addition of an after party and location change for the original Luau, we decided to separate the dinner from the after party to turn the evening into a great night of fun. We'll get started with the dinner that will feature great food, special awards and door prizes. Once dinner is wrapped up, we'll head down to the NEW Stone Creek Pool & Lazy River to dive right into the Sportbikegirl Luau After Party. Although we may be geographically far from the nearest tropical island do not let that spoil the party so let's get festive with coconuts, leis, grass skirts, sarongs, board shorts and flip flops...we hope to see it all! So dress in your favorite island wear and be sure to come join in the fun.
