Group Photo #1: CHANGE UP! Okay so the original plan was Lower Fontana Dam this year, but due to some construction it doesn't look like that will work, so we're going to just head on over to the Deals Gap Resort and set up shop there for the night. We'll snap the group photo at - or around - 6:30 p.m. before heading into the Sportbike Night presented by Killboy.com.

The Sportbike Night presented by Killboy.com: The gang at the Deals Gap Motorcycle Resort are pumped to share their space with us for an exciting opener to the rally. Sportbike Night is open to the public but it's still all about us gals and this is YOUR opportunity to meet and mingle with fellow riders, chew some food, hang by the fire, jump for a tee and of course participate in the 3rd Annual Sportbike Challenge. Things will get entertaining with Draggin' Jeans' demonstration of their popular line of riding jeans and a bit of pit bike racing action.

Group Photo #2: The Deals Gap group photo (sans bikes) is the very first tradition of the rally back in 2006 that will of course continue in front of the historic Deals Gap sign. Get your butt out of bed and be at the Deals Gap MC Resort by 9 a.m. for the shutter to click at 9:30 a.m. Don't make our Director chase you out of the bathroom or from your breakfast either! :) We want all women riders, registered or not, so be there or be...well...missing out! As for our guys simply stand by and we'll give you the word to jump in for one giant group photo.

Group Ride Departures (Limited to the first 10-15 pre-registered riders for each group): Riders interested in group rides should sign up during registration on Friday evening as space is limited and it will be first come, first serve. Self-guided rides are encouraged if you do not feel comfortable in a group setting. *NOTE: If you would like to drag some knee or travel at an "extra-legal pace," these organized rides may not be for you.*

The YAMAHA Sportbikegirl LUAU presented by PJ's Parts: Although we may be geographically far from the nearest tropical island do not let that spoil the party so let's get festive with coconuts, leis, grass skirts, sarongs, board shorts and flip flops...we hope to see it all! We'll be partying by the beautiful Stone Creek Pool and Lazy River at Fontana Village, so dress in your favorite island wear and be sure to come join in the fun. We've decided to ditch the formalities and create a fun, event filled evening with goodies, libations (cash bar), music and lots of hangin' loose.

It's all **CURVES!**
